PRODUCT DETAILS

At Sun Enterprises BV, we manufacture a wide range of pillows in various shapes and sizes to suit any space or style. Whether you're looking for something small and cozy or large and plush, we've got the perfect pillow produce for you.

- **Fully Customizable Covers** : Make your pillow truly yours by customizing the cover. Choose from a variety of options, including unique features like pockets, holders, and more—perfect for personal storage or added functionality. Whatever your needs, we can design a pillow that fits your style and lifestyle.
- **Luxurious Fabric Options** : Our pillows are crafted from high-quality fabrics for ultimate comfort and durability.

Choose from:

- **Poly-velvet** : Soft, smooth, and luxurious.
- **Suede** : A rich, textured feel with a sophisticated look.
- **Super Soft EF Polyester** : Ultra-soft and breathable, perfect for cozy lounging.

We can also create pillows with custom fabrics tailored to your preferences—just let us know what you're looking for, and we'll bring your vision to life.
